Hi all,

I've shipped the grapes from today's sampling at quails gate.

Purolator tracking ID: 1500 594 6817

I wasn't informed that they were picking block 1-6 Sauvignon Blanc this morning, so unfortunately those grapes are not included in the shipment.

Warm Regards,
April

Hi April,

Thank you! I'll let you know when they arrive.

I'll make a note about 1-6. Which blocks did you sample on each day?

Cheers,
Mira

Hi Mira,

Sounds good. All blocks at Quails Gate and Mannhardt were sampled today!

Hi everyone,

The Purolator [tracking](#) says that no one was around to receive the packages and they will be delivered tomorrow.

I'm not sure how this one slipped through the cracks. I never received a call on the lab phone. I've emailed Andrea to make sure we haven't gotten the process wrong and Mark, who seems to be in charge of deliveries, did not receive a call from Purolator either.

Fingers crossed for an early delivery tomorrow!

Cheers,

Mira

Hello again,

Turns out Natasha has the delivery driver's contact info. She got him to stop by again and we have the grapes!

Cheers,

Mira
