Hi Elizabeth.

Pat asked me to provide some maps with vineyard locations for Mission Hill properties.

Their vineyards go from Kelowna all the way to the border in Osoyoos.

I tried to put them all on 3 separate maps. If you use these as a guideline along with Google Earth it should give you a pretty good idea where the properties are. Some I do not have.

SF 31, 33, were Cedar Creek properties. They are both in Osoyoos. SF 26 is Checkmate Winery and others I do not have. Devin would be a better resource.

Attached is what I do have.
