Good Afternoon all,

I've shipped the first set of grapes from McIntyre.  
Purolator tracking ID: 1500 596 1774

The boxes send out at 5pm, and should arrive tomorrow morning. Knowing they ship out so late, I'll probably send subsequent orders later in the day so I can keep them cold as long as possible in my fridge.  
That being said, I hope I used enough ice packs. I've only got the brick style ones right now, and didn't want to use too many of them since I will be shipping out Nk'mip and Dark Horse grapes tomorrow, as well as hopefully Quails Gate early next week. Please let me know if they were packed well, and if there is anything suggestions you guys have to make the shipments better.

Thanks!  
Warm Regards,  
April

Hi all,

Thanks, April! I'll be in the office tomorrow to receive the package and will let you know how the grapes shipped.

Lizzie, are the undergrads cleared to start labwork this week? I could start Tolu on Friday with Phoebe.

Cheers,  
Mira

Hi all,

Quick note between meetings ...

The UGs are cleared! They can work this week.

April -- thanks for the update! One thing I should have mentioned is that we can NOT receive shipments on the weekend, so please make sure they arrive Monday-Friday if possible.

More ice packs are set to arrive Monday (14 September).

Thanks,  
Lizzie

Hi guys,

I also forgot to mention there are two separate styrofoam boxes! I wanted to leave the larger ones for multiple vineyards/quails gate.

Cheers,

April
